

LEE CON ÁNGEL

Online Spanish reading program for children ages 4 - 9

Learn to Read in Spanish!

Lee con Ángel is an online Spanish reading program and app designed to help children learn to read in Spanish. Designed by teachers Bette Kish and Lori Morris, the program incorporates literacy fundamentals into fun games, songs, and stories guided by a child narrator named Ángel. The app is perfect for dual language and bilingual classes in pre-K through 2nd grade. It includes reading readiness and phonemic awareness concepts from print curriculum, and comes with online tests in Spanish for progress monitoring using ESGI software. Students who have used the app show significant literacy progress in Spanish.
